The Daily Record Announces Best Companies to Work for in Maryland

The Daily Record has named HWK Law Group as one of the 2024 Best Companies to Work for in Maryland. The awards are held in partnership with Best Companies Group.

Best Companies to Work for in Maryland identifies, recognizes and honors the best places of employment in the state. It is a research-driven program from Best Companies Group that examines a company's practices, programs and benefits, and surveys employees for their perspectives.

To be considered, companies must be a publicly or privately held business; be a for-profit or not-for-profit business or government entity; have a facility in the state of Maryland; have at least 15 full- or part-time employees working in Maryland; and be in business a minimum of one year.

Best Companies Group managed the overall registration and survey process and also analyzed the data and used their expertise to determine the final rankings.

There were two parts used to determine the rankings. The first consisted of evaluating each nominated company's workplace policies, practices and demographics, worth approximately 25 percent of the total evaluation. The second part consisted of an employee survey to measure the employee experience, which consisted of 75 percent of the total. The combined scores determined the top companies and the final ranking.

A listing of winners is below. The final rankings will be announced Sept. 4.

“The 2024 Best Companies to Work for in Maryland have created workplaces where teams come together to collaborate, innovate and celebrate success. These businesses know that the people in their organizations are the key to their success,” said Suzanne Fischer-Huettner, managing director of BridgeTower Media/The Daily Record. “The Daily Record and Best Companies Group congratulate these outstanding businesses in Maryland.”
